PUBLIC SERVICE COMMISSION OF WISCONSIN

Notification by Luck Telephone Company That It Intends to
Increase Telephone Rates

3230-TR-102

**NOTICE OF PROCEEDING
AND
INVESTIGATION AND ASSESSMENT OF COSTS**

THIS IS A PROCEEDING opened in response to the notice received on September 30, 1999, from Luck Telephone Company (applicant), that it intends to increase rates for local exchange telephone service at its Cushing and Luck exchanges in Polk County. The utility mailed notice of the increase to its customers on September 30, 1999. Under Wis. Stat. § 196.215(3)(a), the proposed rates will become effective December 1, 1999, as specified in the notice. Customers have the opportunity to petition the Commission for an investigation of the utility's rate increase.

NOTICE IS GIVEN that the Commission will investigate this matter under Wis. Stat. § 196.215(3)(a). If, within 60 days of the mailing of the utility's notice to customers, the Commission receives a petition from at least 225 customers requesting that the Commission determine rates, further investigation will be necessary. The utility's proposed increases may still go into effect; however, the rates will then be subject to refund.

The Commission considers it necessary, in order to carry out its duties, to investigate all books, accounts, practices, and activities of the applicant. The expenses incurred or to be incurred by the Commission which are reasonably attributable to such an investigation will be assessed against and collected from the applicant in accordance with the provisions of Wis. Stat. § 196.85 and Wis. Admin. Code ch. PSC 5.

The Commission does not discriminate on the basis of disability in the provision of programs, services, or employment. Any person with a disability who needs accommodations to participate in this proceeding or who needs to get this document in a different format should contact the case coordinator listed below.
